Exponent
- ✓ **Attorney Dan Harris**
Partner
Harris / Moure
- ✓ **Randall Goodden**
Author, Educator
Randall Goodden International

... *And More*

Product safety continues to be a major focus area not only in the U.S., but throughout the world. New regulatory requirements are being initiated every year. Product liability lawsuits are bankrupting numerous U.S. corporations, and the rising tide of product recalls are financially devastating others. All of this requires the corporate management team to pursue 'continuing education' to help keep their companies above water. Our Conferences are ranked as #1 by attendees.

We bring you the leading experts from a wide array of professional fields to provide you with the knowledge and education you won't find anywhere else. Many of our attendees have been coming to our Conferences every year and continuously learning new ideas to help their companies succeed.

This event is highly recommended for the Corporate Executive Team and the heads of Quality, Product Safety, Engineering, Risk Management, Reliability, & In-house Legal, as well as Insurance Representatives, Importers, Retail Chain Buyers, Government Agencies, Defense Attorneys and others interested in the topics.

The Conference will be held at the Donald E. Stevens (Rosemont) Convention Center less than 2 miles east of O'Hare International Airport. The Convention Center is connected by an enclosed walkway to the Doubletree O'Hare Rosemont Hotel, the Hilton Rosemont, and the Hyatt Regency O'Hare, and has several other hotels right across the street that offer free shuttle service from the O'Hare Airport.

You don't have to be a member of the IPSLP Association to attend one of our events, and membership is free. We have over 800 members from over 30 countries around the world.

The registration fee is \$695 before Mar 11, \$750 after Mar 11.

We also offer discounts for 3 or more attendees from the same company, so bring other key members of your management team. Contact us for group discounts. The brochure with the agenda will be out shortly.

We look forward to seeing you in Chicago!
